### 7. What can affect my eligibility?

As many times as you may like, as long as you have not exceeded your eligible amount.

**11. When is the PayDay Extra Loan due for repayment?**

Your PayDay Extra loan will be due for repayment every month for a cycle of three (3) months tenor, from the date the loan was disbursed into your account (anniversary date), and the repayment amount will be automatically deducted from your account.

The loan amount will be deducted from any inflow into the customer's account. Where the loan is past due, deduction will be made from any account linked to your BVN.
